

## MacroHealth Member Care and Cost Search

MacroHealth's combined Member Care and Cost Search tool equips payers with the ability to steer members to the highest-quality, lowest-cost providers with tiered networks, reduce overall medical spend, improve the member experience, and ensure compliance.

- 7.2M+ members served
- 250+ clients implemented
- 4:1 up to 4:1 return on investment

### A Flexible Network Tiering Tool Driving Cost-Effective Decisions

#### Create Tiered Networks

Align search results with your unique network design including base, wrap, and carve-out specialty networks and steer members to top tier providers.

#### Customize Network Search Results

Combine data from carrier directories, claims, and MRFs to deliver search results for over 120 specialties and 30 facility types.

#### Highlight Preferred Providers

Encourage utilization of preferred providers and lower-cost alternative care options like onsite clinics and telemedicine providers.

#### Clear Pricing for Members

Provide members with comprehensive market pricing data and total out-of-pocket estimates to help them make informed shopping decisions.

## Built on a Robust, Scalable Platform

Designed to easily integrate with existing payer ecosystems and flexible enough to evolve with changing network strategies.

CMS Compliant

Configurable Provider Quality Ratings

HITRUST Certified

## Solutions with Proven Impact for Health Plans

MacroHealth helps Payers accelerate growth with tools that strengthen the foundation of their business – their members.

### Contain Costs:

Guide members to tiered, high-value providers to reduce spend leakage from out-of-network or high-cost providers and receive lower unit cost per episode.

### Improve Member Satisfaction:

Make it easy for members to find the care they need, improving their overall healthcare experience.

### Meet Compliance Regulations:

Leverage a CMS compliant price transparency tool to meet regulations with confidence.

### Differentiate Your Plan:

Highlight your unique programs and offerings, like carve-out mental health, special surgery networks and Centers of Excellence, to stand out in a competitive market.

Book a demo to learn how you can unlock a data-driven, unified solution to improve member experience and control costs.
